The Base Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of the Notes may only do so in circumstances in which no obligation arises for the Issuer or the Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor the Dealer has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

The expression "**Prospectus Directive**" means Directive 2003/71/EC (as amended or superseded), and includes any relevant implementing measure in the Relevant Member State.

Terms used herein shall be deemed to be defined as such for the purposes of the terms and conditions as referred to on pages 61 up to and including 95 of the base prospectus of the Issuer relating to the Programme, dated 19 June 2014 (the "**2014 Terms and Conditions**") which have been incorporated by reference in, and form part of the base prospectus dated 23 May 2019, as supplemented by the supplemental prospectus dated 9 September 2019 (the "**Base Prospectus**") issued in relation to the Euro 100,000,000,000 debt issuance programme of the Issuer which together constitute a base prospectus for the purposes of the Prospectus Directive. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus, save in respect of the 2014 Terms and Conditions incorporated by reference therein. Full information on the Issuer and the Notes described herein is only available on the basis of a combination of these Final Terms and the Base Prospectus. However, a summary of the issue of the Notes is annexed to these Final Terms.

The Base Prospectus (and copies of the 2014 Conditions) is available for viewing at the investor relations section of the Issuer's website, <https://www.bngbank.com/funding/issuance-programmes>, and at the offices of the Paying Agents in Amsterdam, Luxembourg and London specified in the Base Prospectus. Copies may, upon oral or written request, also be obtained from the Paying Agents.

These Final Terms do not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation; and no action is being taken to permit an offering of the Notes or the distribution of these Final Terms in any jurisdiction where such action is required.

PROHIBITION OF SALES TO BELGIAN CONSUMERS - If the 'Prohibition of Sales to Belgian Consumers' is specified as applicable in the applicable 'Final Terms', the Notes are not intended to be offered, sold or resold, transferred or delivered or otherwise made available to and should not be offered sold or resold, transferred or delivered or otherwise made available to any individual in Belgium qualifying as a consumer (*consument/consommateur*) within the meaning of Article I.1 of the Belgian Code of Economic Law (*Wetboek van economisch recht / Code de droit économique*), as amended from time to time.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET - Solely for the purposes of the manufacturers' product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU, as amended ('**MiFID II**')/MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a '**distributor**') should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

SUMMARY OF THE NOTES

Summaries are made up of disclosure requirements known as "**Elements**". These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for this type of securities and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary with the mention of 'Not Applicable'.

Section A – Introduction and Warnings		
A.1	Introduction and warnings:	This summary should be read as an introduction to the Base Prospectus. Any decision to invest in the Notes should be based on consideration of the Base Prospectus as a whole by the investor including any documents incorporated by reference. Where a claim relating to the information contained in the Base Prospectus is brought before a court, the plaintiff investor might, under the national legislation of the Member State, have to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. Civil liability attaches only to those persons who have tabled the summary including any translation thereof, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus or it does not provide, when read together with the other parts of the Base Prospectus, key information in order to aid investors when considering whether to invest in the Notes.
A.2	Consent to use of the Base Prospectus:	Not Applicable. No Non-exempt Offer of the Notes will be made.
Section B – The Issuer		
B.1	Legal and commercial name:	The legal name of the Issuer is BNG Bank N.V. The commercial name of the Issuer is BNG Bank.
B.2	Domicile and legal form, applicable legislation and country of incorporation:	BNG Bank is a public company with limited liability (<i>naamloze vennootschap</i>) incorporated under the laws of the Netherlands, having its statutory seat at The Hague, the Netherlands. BNG Bank is registered in the trade register of the Chamber of Commerce under no. 27008387.
B.4b	Description of any known trends affecting the Issuer and the industries in which it operates:	BNG Bank's business and results of operations are affected by local and global economic conditions, perceptions of those conditions and future economic prospects. The outlook for the global economy in the near- to medium-term remains uncertain due to several factors, including geopolitical risks, concerns around global growth and price and currency stability. Although the global economy continues to expand, weakening financial market sentiment, the potential exit of the United Kingdom from the European Union (" Brexit "), trade policy uncertainty and concerns about China's outlook weigh on global economic prospects. Financial conditions in advanced economies continue to be tightened. Equity valuations have generally been pared back with diminished optimism about earnings

		<p>prospects based on escalating trade tensions and expectations of slower global growth. Major central banks have also moved to adopt a more cautious approach. While the U.S. Federal Reserve raised the target range for the federal funds rate in December 2018, it signalled a more gradual pace of rate hikes in 2019 and 2020. In line with earlier communications, the ECB ended its net asset purchases in December 2018. However, it also confirmed that monetary policy would remain amply accommodative, with no increase in policy rates until at least the summer of 2019, and full reinvestment of maturing securities continuing well past the first rate hike. The outlook for the economy in the Netherlands remains relatively positive, but risks to this outlook remain.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and other de-stabilising forces such as geopolitical tensions or acts of terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to BNG Bank's operations (such as the introduction of a bank levy or a 'thin capitalisation rule' or the imposition of a financial transaction tax) has had and may in the future have an adverse effect on its business and/or results of operations.</p> <p>Although it is difficult to predict what impact the recent regulatory changes, developments and heightened levels of scrutiny will have on BNG Bank, the enactment of legislation and regulations in the Netherlands, changes in other regulatory requirements and the transition to direct supervision by the ECB, have resulted in increased capital and liquidity requirements, changes in the level of contributions to resolution funds, and/or increased operating costs and have impacted, and are expected to continue to impact, BNG Bank's business.</p>
B.5	Description of the Issuer's group and the Issuer's position within the group:	<p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has two wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <p>BNG Gebiedsontwikkeling B.V.</p> <p>Hypotheekfonds voor Overheidspersoneel B.V.</p>
B.9	Profit forecast or estimate:	Not Applicable. BNG Bank has not made any public profit forecasts or profit estimates.
B.10	Qualifications in the Auditors' report:	Not Applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2018, 31 December

		2017 and 31 December 2016 incorporated by reference in the Base Prospectus are unqualified.
